## Presidents Message!

NAHU's Capital Conference 2007 was a big success for Oklahoma! For the first time in 7 years we met with all the Oklahoma congressmen personally and were able to deliver our message. Quite often our appointments with them get bumped and we meet with their aides.

I believe momentum is building for a single payer system for several reasons. To mention just a few:

Massachusetts mandatory health care, California is about to try their spin on the concept; democrats taking power on Capital Hill. If you value the current system of *free enterprise*, now is the time to take action, get involved and protect what you believe in. You ask: How can I help, I am just one person? You can do your part in two easy, painless ways:

- 1) Respond to Operation Shout. These are time sensitive emails and waiting until after lunch to respond is not recommended. You need to respond immediately!
- 2) Contribute to HUPAC. Your contributions will help ensure we *get and/or keep* politicians in office that agree with our positions. This is vital to our success and I cannot stress this enough. HUPAC is a mere \$10 a month that some call "*Career Insurance*." You will find the HUPAC enrollment forms in this edition of RHUster. If you have any questions, please call Dan Hart 918-493-7424 or me.

*Teamwork makes the Dream Work!*
